The FPI has recognized Ms. King's dedication by selecting her as one of their 2022 JRL Scholars. Each year, the FPI selects 20 civic-minded student leaders through a competitive application process. The JRL Scholars & Fellows Program is designed for undergraduate scholars and graduate student fellows to examine Lewis's nonviolent philosophy from a historical perspective; define its principles and strategies; and identify their applicability to modern times and movements, current issues, and everyday life. The JRL Scholars & Fellows will become a nationwide network of emerging leaders who will be inspired to create positive societal change from the revolutionary nonviolent perspective that was employed with success in the Civil Rights Movement.

As a JRL scholar, Ms. King will focus her scholarship project on issues surrounding immigration. Inspired by her grandmother's immigration story as a daughter of Holocaust survivors, Ms. King is driven to share stories of displacement and advocate for immigrant and refugee support and solidarity.

Madam Speaker, I ask my colleagues to join me in recognizing the accomplishments of Cecelia King. Her dedication and leadership have served not only her community but have guided her to be an effective social change-maker. Ms. King carries these esteemed values as she joins the next generation of leaders of our Nation.

HONORING DR. GLENDA BASKIN
GLOVER

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Ms. WILSON of Florida. Madam Speaker, I rise today to honor Dr. Glenda Baskin Glover.

Dr. Glover is a native of Memphis, Tennessee. As the daughter of a civil rights activist and from a family immersed in the Movement, she determined early that education and equal justice were important for all people of color. She began her educational development as a student at Tennessee State University, where she majored in mathematics. After graduating with honors with a Bachelor of Science degree, she earned the Master of Business Administration at Clark Atlanta University in 1976. She completed her doctorate in business from George Washington University in 1990 and completed her law degree from the Georgetown University Law Center in 1994. She is a certified public accountant, a licensed attorney, and one of a handful of African American women to hold the Ph.D.-CPA-J.D. combination in the United States.

Dr. Glenda Baskin Glover returned to her alma mater to serve as President of Tennessee State University on January 2, 2013. She is the institution's eighth and first female president. She has advanced a five-point vision that includes: academic progress and customer service, fund raising and partnerships, diversity and inclusion, shared governance, and business outreach. Under President Glover's leadership, the University's academic offerings have increased to 45 bachelor's de-

grees, 24 master's degrees and seven doctorate degrees.

I salute this effort to close opportunity and access gaps for historically underrepresented students in colleges and universities. TSU is continuing to show that institutions can be hubs for providing pathways to access post-secondary educational instruction, connect students with emerging economic opportunities, and inspire them to fulfill their promise and potential.

In addition to her academic success, Dr. Glover is the International President and CEO of Alpha Kappa Alpha Sorority, Incorporated, the oldest Greek-letter organization established by African American college women. Dr. Glover leads the prestigious 114-year-old organization of nearly 300,000 members and 1026 chapters located all over the world.

I am thankful to President Dr. Glenda Glover and the entire university team for providing students with the opportunity of a lifetime to pursue a higher education and run toward their dreams at Tennessee State University.

CELEBRATING 30 YEARS OF
EQUALITY ARIZONA

HON. RUBEN GALLEGO

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Mr. GALLEGO. Madam Speaker, I rise today to congratulate Equality Arizona on its 30th anniversary. For three decades, Equality Arizona has been fighting for the rights of LGBTQ+ Arizonans to fully participate in social, economic, and civic life. They have done this by building a diverse community of support and engaging with all levels of government.

In response to the HIV/AIDS epidemic, Equality Arizona started in 1992 to support those living with HIV and AIDS and to repeal discriminatory laws that criminalized LGBTQ+ lives. Since then, they have continued that work in the campaigns to repeal "Don't Ask, Don't Tell" and pass marriage equality. Just in the past year, Equality Arizona has helped pass non-discrimination ordinances in Glendale and Tolleson, both of which are in my district, and in Mesa and Scottsdale. I cannot wait to see the great work they will do over the next 30 years.

I would like to congratulate Equality Arizona on their 30th anniversary and thank them for their tireless efforts to support the LGBTQ+ community in Arizona and across the country.

HONORING DR. TONY Q. CHAN

HON. MELANIE A. STANSBURY

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Ms. STANSBURY. Madam Speaker, I rise to honor Dr. Tony Q. Chan's incredible contributions to our beloved New Mexico community. This Saturday, July 17th, Dr. Chan and his family will celebrate his 90th birthday. Over the more than 60 years that he has called New Mexico his home, Dr. Chan spent 40 of those years operating his optometry practice with an unmatched commitment to his patients and our community.

Dr. Chan was born in Massachusetts and grew up in Mississippi, where he met his beautiful wife, Carolyn. After attending the Illinois College of Optometry, where he earned his BS and Doctor of Optometry, he headed out west. Dr. Chan first moved to Albuquerque, New Mexico, in 1959 when he broke barriers to become our state's first Asian American optometrist.

Dr. Chan did not stop there. In addition to opening his first practice, he eventually became President of the Heights Lion's Club, the Executive Association of Greater Albuquerque, and the New Mexico Optometric Association. He was also the first Asian American Trustee for the American Optometric Association. During his time at the American Optometrist Association, he served on the Minority Recruitment Committee, where he helped recruit women and minorities to become optometrists.

Throughout his life, Dr. Chan received a variety of accolades from organizations across the United States, including the Spirit of America Award from the Chinese American Citizens Alliance, the Alumnus of the Year award from the Illinois College of Optometry, and he was inducted into the National Optometry Hall of Fame in 2020.

Happy Birthday to Dr. Chan. I thank him for his lifelong service caring for the health and well-being of the people of New Mexico. His love of community shines through everything he does, and I am honored to serve Dr. Chan in Congress and celebrate 90 years of his achievements.

Mr. KRISHNAMOORTHY. Madam Speaker, today I rise to recognize and honor Pete Kadens, an entrepreneur and dedicated philanthropist in Chicago, and the work of his charity project, Hope Chicago. Mr. Kadens' remarkable commitment to transforming lives and communities is worthy of our highest praise.
